FOR IMMEDIATE RELEASE

4th annual All About Horses event

Randy Bird Equine Education once again performed at the 2012 All About Horses show, held on May 26 and 27 2012, at the Lindsay Exhibition Fairgrounds. As in past years, Randy and his crew of daughters Richelle and Kristy, Larry Hynes, Phil Turner and of course the star of the show, Tanner, entertained the crowds with riding and driving demonstrations on both days. It was the fourth year that they have participated since headlining the inaugural show in 2009.
