WARKWORTH FAIR WRAP-UP

Randy Bird Equine Education proudly presented their new Mustang Magic show at the 166th Warkworth Fall Fair on September 9, 10 and 11, 2016. Featured performers included second generation Mustang horse Cody and third generation Mustang horse Jackson, as well as the star of Randy Bird's performances for many years, Tanner. Three shows each day wowed audiences with riding and driving demonstrations that simulated common, and sometimes dangerous, obstacles a horse and its handler might encounter on the trail or road.

A popular segment of each show is “Meet the Mustangs” where spectators can get up close and personal with the horses for photo ops or even just to give them a pat on the neck. Between performances, spectators could also venture over to the arena and view a film clip entitled Mustangs North.

Says Greg Torrance, president of the Percy Agricultural Society, “Randy and his Mustang Magic show was a wonderful, unique draw for our fair which perfectly complimented our other attractions. Randy's knowledge of the history of the Mustangs, his skill in training them and especially his respect for their abilities entranced Warkworth Fair patrons. Randy was incredibly well organized, easy to work with and mindful of not only what makes a good show; but of safety procedures and protocols too.”

Special thanks to crew members Phil Turner, Kristy Bird, Dave Cole, and Kevin and Madison White. Madison joined Randy as a passenger on the carriage. Teresa Kaszuba of CHEX TV also joined Randy Bird for the show for an afternoon.
