FOR IMMEDIATE RELEASE

## SECOND ANNUAL MUSTANG FESTIVAL FOR EASTER SEALS

(April 2012) Preparations for the 2012 Mustang Festival are now in full swing. This years show plans to be even more action packed and exciting than last years. The stars of the show, the original Wyoming Mustangs Cheyenne and KayCee will again be joined by second generation Cody and available for everyone to get up close and personal to. We are extremely excited and pleased to introduce our third generation Mustang Jackson to this years line up. This will be the first time that Jackson has been a part of the show and is sure to be a crowd pleaser.

We will again be doing our riding and driving demonstrations and the Durham Region Classic Mustang car club will also be returning with their classic Mustang cars. They were a huge hit last year and we are excited about their participation in this years event. Many thanks go to president Terry Miles and his members for their support. Country singer Cliff Edwards will be returning much to the delight of the folks that enjoyed his music so much last year. We are also pleased to welcome back CHEX sports director Tyler Calver, who will be competing in our marathon driving challenge. This years competition will have an even more exciting twist as Tyler has been challenged by one of his female colleagues, and whose identity will remain a mystery, until the actual time of the competition.

Finally what would any event be without a main attraction, and we will have just that. Terry Grant, also known as the real “MANTRACKER”, will be joining us for the weekend. We are most excited and honoured to have Terry with us and know that many of his loyal fans will feel the same. Terry will be doing a seminar each day, and as well, will be signing autographs and trying his hand in the marathon driving. What a wonderful opportunity for everyone to come and meet the man himself.

All profits for the show will go directly to Easter Seals Ontario, and the 2011/2012 Easter Seals ambassador Mitchell McColl and his family will be in attendance. We would like to thank all of our sponsors for their support and should anyone else like to become a sponsor, we encourage them to contact us for details. Admission to the show is \$10.00 for adults and children under twelve are free. All children must be accompanied by an adult. Everyone is welcome to come and join us for a fun and exciting weekend in the country and help support a very worthwhile cause.
